

Navajo Nation and Hopi Tribes FirstNet Engagement

February 21, 2017

*Navajo Nation Division of Transportation
2740 Morgan Blvd.
Window Rock, AZ 86515*

Overview: Navajo Nation will be hosting an engagement between Navajo Nation Public Safety, Hopi Public Safety, Arizona FirstNet Single Point of Contact team (state), and FirstNet Tribal and Regional team (Federal). Participants have the opportunity to attend a morning or an afternoon session.

Goal: Discuss the planning and deployment of a nationwide public safety broadband network to help public safety better serve and protect their communities.

Track 1: 10 AM – 12 PM/Track 2: 1 PM – 3 PM

- Introductions from Tribal, State, and Federal Representatives
- Overview of FirstNet Creation and Structure – *FirstNet Federal Team*
- Overview of the Tribal Working Group (TWG) and the Public Safety Advisory Committee (PSAC) – *Navajo Nation: Teresa Hopkins, Executive Director, NN Telecommunications Regulatory Commission. NN Public Safety Point of Contact: Orlando D. Bowman, IMS-Navajo Police Department.*
- Whiteboard Video: State Plan Review Process and Governor's Decision – FirstNet Federal Team
